

The Salon Professional Academy establishes a criterion regarding the transfer of credit hours earned from another school as listed below:

- All accepted transfer hours will be credited at the beginning of the program.
- Possibility exists that no transfer credit will be granted.
- Transfers from another Salon Professional Academy will be placed into an existing class based on level of completion recorded on their transcripts.
- Courses with an 85% or higher grade will be eligible for transfer hour's credit with a maximum of 350 hours of student's completed hours allowable for transfer in general education chapters.
- Tuition balances do not transfer from one school to another.
- A student wishing to transfer may be accepted to an educational course / program after carefully evaluating the student's academic records.
- Each transfer is evaluated on an individual basis.
- Students will be required to complete theory and practical training that are unique to our franchise system.
- A maximum of 350 hours for cosmetology and 140 hours for esthetics will be eligible for transfer credit hours. No transfer hours will be granted for the instructor program.
- All transfer students will pay \$12 per hour for all remaining hours to full graduation requirements.
- Transfer students will be subject to over contract fees, if applicable.
